

Summer 2019 EducationUSA Academy

The University of Tennessee's EducationUSA Academy is a four-week program that will prepare secondary/high school students from around the world for university study in the United States. Offered in partnership with the US Department of State's EducationUSA network, the program offers you the opportunity to:

Develop College Preparatory English and Academic Skills. Build your English skills for academic and business settings.

Prepare for US Higher Education. Tour US colleges and universities and prepare college application essays and interviews.

Explore Cultural Opportunities. Experience life and culture in Tennessee: extraordinary natural beauty, traditional music, and a distinct way of life. Field trips, homestays, and cultural experiences such as trips to the Great Smoky Mountains National Park, the most visited National Park in the US, and to Nashville, Tennessee, the country music capital of the world.

Enjoy College Campus Life. Live on campus in a university residence hall. Meals will be served in campus dining halls.

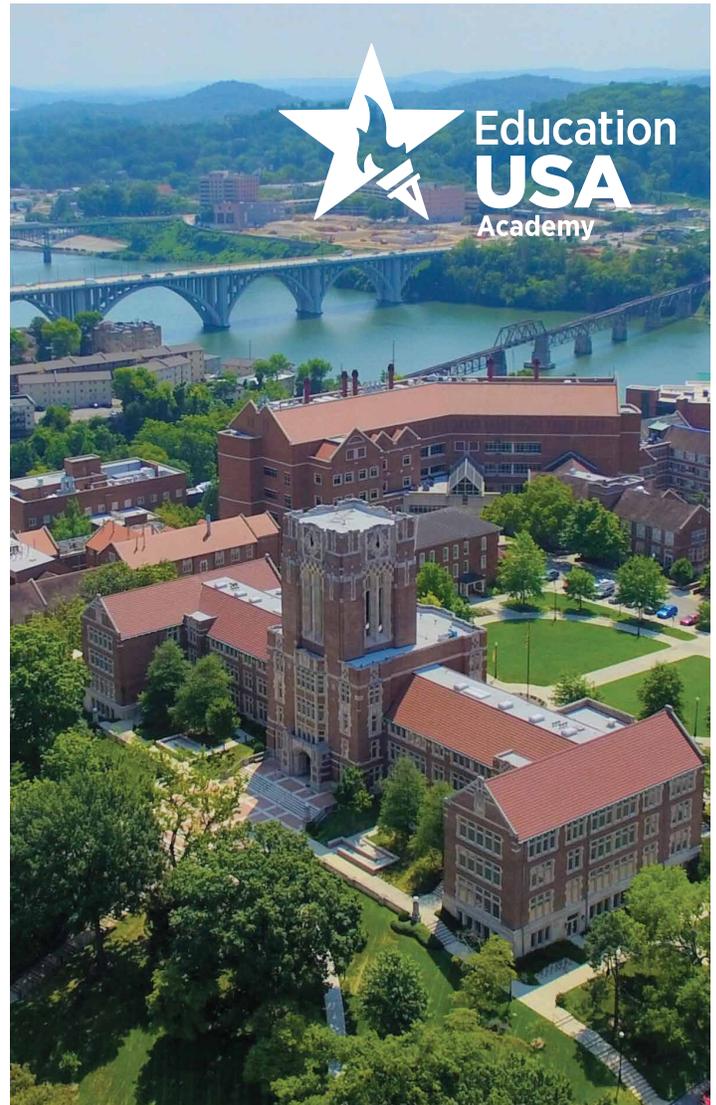

Experience Global Entrepreneurship. Learn the principles of starting a business and developing a business plan. Experience "pitching" your business idea to business professionals.
